Dear Sir/Madam,

We are a non-profit organization whose primary objective is to create a community show that encompasses both Agriculture and Entertainment for Cobram and Surrounding districts. Cobram has a strong background in agriculture, so this is the one time of the year that everyone can come together, and either be exhibitors, competitors, or spectators. We're asking you to assist us in doing this.

The Cobram Agricultural Society volunteer's co-ordinate the **Cobram two-day show** on the 4<sup>th</sup> weekend of October each year. Unfortunately, though our gate takings are not enough to cover the entertainment, prizes, trophies and the insurances of this traditional event and we do rely on community support. We are seeking your assistance to see if you would like to "sponsor an event!" You can even nominate a specific section you would like your business to be associated with (i.e., Cattle).

Your donation can be as much or as little as your business can afford. **Your sponsorship can start for as little as \$5** right up to \$1,000. Your sponsorship allows our two-day show to continue to thrive.
